

Kamiyashiro JCT

You cannot exit to local roads from Nagoya-Minami JCT.

* If you are using Nagoya Ring Road No.2 (Meinikan) from Obu IC (Isewangan Expressway), tolls for Isewangan Expressway (Obu IC to Nagoya-Minami JCT) are necessary in addition to tolls for Nagoya Ring Road No.2 (Meinikan).

Hongo IC [Entrance]
Records time for Nagoya Ring Road No.2 (Meinikan).

Hongo IC [Exit]
There is no tollgate. (Time is not recorded)

Nagoya IC [Entrance]
Records entry time for Tomei.

Nagoya IC [Entrance]
Records exit time from Tomei.

Nagoya IC [Exit: To Meinikan]
Records exit time for Tomei and Nagoya Ring Road No.2 (Meinikan).

Note

- When using Nagoya Ring Road No.2 (Meinikan) and Tomei Expressway (distance toll section) consecutively, discounts are applied based on times passing the tollgates in each section individually.
- Please check our website, etc. when using the Shin Meishin Expressway from Tokyo, Shizuoka and Nagano to Osaka and Kyoto, as tolls can be higher when using Nagoya Ring Road No.2 (Meinikan/ Nagoya-Minami JCT to Nagoya-Nishi JCT and Nagoya IC) than the Isewangan Expressway.
- At exits of Nagoya Ring Road No.2 (Meinikan), ETC free flow antennae are installed (There are no tollgates at exits). Please always drive with an ETC card inserted in the in-vehicle equipment at exits as wireless communication is necessary to check routes.
